ROLL TOP GRILLS & ROTISSERIE

Roll Top Backyard Grill 2430

Our **Roll Top Backyard Grills** are perfect for backyard cookouts, country club steak fries, and for those die hard tail gaters. These units are made to last, with even heat distribution. The **Roll Top Backyard Grills** are for any smaller outdoor grilling event. These Grills make it easy for the Amateur to grill like a Pro.

RTG 2430

RTG 2430SS

RTG 2430 • RTG 2430SS

Grill Dim.: 24" W x 30" L x 50" H
Cooking Grate: 26" L x 21" W

- Stainless steel side shelves

- Four individually controlled pipe burners
- Grease drip tray
- Temperature gauge
- Push button burner igniter
- Optional: 40 lb. propane tank
- Optional: Charcoal model
- Optional: Stainless steel cabinet construction

Roll Top Rotisserie 3630

The **Roll Top Rotisserie Grill** is the "Boss's Choice." This unit is thermostatically controlled, with four baskets on a rotisserie, so whatever is grilled, roasted, or smoked will be mouth-watering delicious each time. With the design of the baskets the products cooked will be self-basted.

You can turn the thermostat to 500 degrees to grill those burgers or steaks, or set it at 200 degrees and use the smoker box to smoke pork loins or ribs. Making this the most versatile unit for the backyard BBQ enthusiast, great for small restaurants, caterers, or concession stands.

RTR3630 Roll Top Rotisserie

RTR 3630 • RTR 3630SS

Soda & Concession Trailers

Pop trailer or full service concession trailer the answer is up to you. Concession trailers are custom built to meet the demands of each individual. We want each trailer to be as unique as the owner and the occasion it serves. We start with the premise of a standard pop trailer and build from there. Features and options that make each trailer one of a kind are:

- 7' or 8' width and various lengths
- Tubular steel frame and upright supports
- Aluminum siding - exterior
- Aluminum diamond plate floor
- Axles and tires depend on application
- Interior lights, electric panel, electric outlets
- Serving windows with screens, glass or both
- Leveling jacks on four corners
- Insulation in walls and ceilings
- Aluminum siding - interior
- Air conditioning
- Removable tongue and hitch
- Fresh and waste water tanks
- Stainless steel sinks
- Stainless steel counters inside or outside
- Electric hot water heater and pump
- LP gas tank & hook up
- Exhaust hood and fan
- Cooking equipment- grills and fryers
- Concession and flatbed trailer combination

IMPORTANT INFORMATION

Ordering Information:

Orders to be placed for New Products and Parts can be placed by calling our Office: 712-368-4342

Monday–Friday 8:00 am–5:00 pm Central Standard Time

ALL ORDERS NEED TO BE PREPAID.

We accept business and personal checks, electronic money transfers, and credit cards.

Credit Cards Accepted: Visa and Master Card

A 3% credit card fee will be applied in some cases.

Shipping Information:

We do our best to ship all parts orders the next day. New products orders can be picked up at the company plant or will be shipped depending on inventory and the size of the product as soon as it is built and assembled.

All parts orders will be shipped UPS or US Mail. New Products will be shipped by National Motor Freight Carriers.

We work with several carriers and are always checking for the best rates. These shipments will be tailgate delivery, so the customer will be required to have enough help or equipment to unload the product when delivered.

Three Most Requested Spare Parts

Pilot light - thermopile

Gas valve

Thermostat

We carry all replacement parts for our equipment.
